

Howdy,

Thank you so much for your support and for helping to educate a new generation of patriot citizens. Our test login is, AuH2O64

The O in H2O is a *letter*, not a zero!

The 10<sup>th</sup> ANNIVERSARY NEWLY REVISED EDITION (2014) of 'A Patriot's History' has sold so well that Sentinel/Penguin is publishing a 15<sup>th</sup> anniversary edition in 2019. We are hard at work bringing the book up to date with the most recent events and scholarship. As you may know, we also have a teaching aid. A PATRIOT'S HISTORY READER (Sentinel/Penguin 2011) contains primary source documents---e.g. The Mayflower Compact, Declaration of Independence, Constitution, Lincoln's Emancipation Proclamation, Roosevelt's "Day of Infamy" Speech, etc.---so that students and teachers can use the actual words of historic Americans in their classwork. A PATRIOT'S HISTORY OF THE MODERN WORLD remains in print from Penguin Press in two volumes.

Log onto [www.patriotshistoryusa.com](http://www.patriotshistoryusa.com) for teaching aides and updates. We collaborate with John De Gree's *Classical Historian Company*, [www.classicalhistorian.com](http://www.classicalhistorian.com), which markets a full curriculum, including an excellent middle and high school textbook, *The Story of Liberty*. If you contact John, please note you were referred by Larry and Michael.

Keep up the good work, and know that we remain,

fellow patriots,

Allen
